    - ii. Contract Approval Procedure
      - 1. If you consider entering a contract, come with the options to SBA and we can discuss them. Get copies of contracts to bring too.
      - 2. This helps us look for problems with the contract.
      - 3. It also helps with managing SBA funds.
      - 4. Once SBA decides to expend the funds then Greg Smith has the authority to sign the contract.
      - 5. We are a state entity and the money from the inside account comes from student funds. Those fees are paid to the state and the account is audited. Therefore, we have to vote approve the expenditure of the funds. We don't want someone to obligate us for something without our approval.
